RES PUBLICA: 2230AD

2230 AD. A time of massive exploration and colonisation. New breakthroughs in technology allow the known races to launch vast fleets to stake their claim along a new frontier. In Res Publica 2230 AD you will assemble groups of colonists to set up space stations and exploit new technologies to found vast cities - all the while trading personnel and developments with your fellow players to see just who will establish the greatest of these new empires.

REINER KNIZIA

With more than 500 games and books published in numerous languages and countries including many global licences such as Lord of the Rings, LEGO, Mensa, Mickey Mouse, Reiner Knizia is one of the most famous game deisgners worldwide.

REMAKE AND RETHEMED

The team of MAGE Company rethemed the game and this time returns in space with upgraded graphics, alternative game endings, new buildings and new rules that will make the game even more challenging.
